

MEDICAL/DENTAL SCHOOL STIPEND PROGRAM (MDSSP)

The U.S. Army Reserve's Medical/Dental School Stipend Program is designed for current medical and dental students, or those who have been accepted to an accredited medical or dental school. Upon completion of your schooling and residency, serve with an Army Reserve unit in the location of your choice while developing your civilian practice.

QUALIFICATIONS

- Be a permanent resident of the U.S.
- Be enrolled or accepted to an accredited medical or dental school
- Be between the ages of 21 and 42
- Be eligible to commission as a U.S. Army officer

BENEFITS

- \$2,600+ monthly stipend
- No active duty obligation
- No interference to residency training
- Gain leadership experience
- 401(k) matched contributions plus retirement options
- Competitive healthcare coverage for service members and their families
