# Computing and Information Science Tutoring

CIS Laboratory  
Location: Ground Floor of Physics Building

In the following schedule a course name, such as CS 110, indicates that this class normally meets in the lab during the time slot indicated. A person's name indicates the tutor on duty. The lab is available for use during these tutoring hours. The lab might be available Friday afternoon if prior arrangements are made with Br. David. The lab may occasionally be used by classes other than those shown on this schedule. Tutors may keep the lab open until midnight if they wish to do so and if there are students who want to work then.
