

# Building a Better Business Plan

## Every Business Needs One

A business plan is the foundation of your business. It is your calling card to lenders, business investors, and property managers—a visualization of what your business is going to be. Whether you are just starting your business, working to expand it, or considering expanding it in the future, this workshop is for you.

Attend *Building a Better Business Plan* and talk with a professional consultant. Learn the importance of why you need a business plan at the ready. Topics covered are how to outline a business plan, its major components, and what to include in them.
