

SAINT VINCENT COLLEGE

OFFICE OF THE VICE PRESIDENT FOR ACADEMIC AFFAIRS AND ACADEMIC DEAN

May 17, 2023

Dear Medaille University Students:

We were saddened to learn that Medaille University was closing and wish to offer any help we can provide. Saint Vincent is a Benedictine, Catholic, liberal arts college near Pittsburgh. We offer many programs similar to those at Medaille, and as part of the Benedictine Hallmark of hospitality, we welcome any students interested in continuing their studies at Saint Vincent. We are able to be flexible in the transition, as we offer many programs in an online format, which may help those who need only a few courses to finish a degree or have constraints that prevent an immediate move.

As you will see in the transfer portal link below, we have set aside special financial aid options for students who transfer to Saint Vincent and are willing to provide dedicated advice on how best to complete your programs efficiently. Although the closure of Medaille is a sudden challenge to you, it is also an opportunity to reflect on your future and to make choices that enhance your skills and prepare you for success. Please use our transfer portal link to learn more about Saint Vincent:

Finally, in recognition of the uncertainty you are facing, feel free to contact me at the email address below if you have questions about what to do next—regardless of whether you come to Saint Vincent. We strive to support students effectively, and I would be happy to help you assess your best next steps. On behalf of Saint Vincent, thank you for considering our programs and know that we will pray that you secure a great next option to move your education and career forward.

Sincerely,

A handwritten signature in cursive script that reads "John T. Delaney".
