

SAINT VINCENT COLLEGE

2025-2026 College Catalog Addendum

Effective Date: 11/10/2025

Addendum to Page: 22

Description:

Saint Vincent College undergraduate students who wish to accelerate their learning pathway into a graduate program at SVC may take up to three total graduate-level courses during their undergraduate program provided they meet the following criteria:

- Be a junior or senior entering or within their last four semesters of study for their undergraduate degree
- Possess a Cumulative GPA of 3.250 or higher and not have been on Academic Probation for at least the past academic year
- Be approved to take graduate courses by their Faculty Advisor, Department Chair, and the Program Director for the prospective Graduate program

Students who meet these criteria will be permitted to register for no more than one (1) graduate-level course per semester in up to three semesters. Students must earn a B- or better in each course or risk having their permission to take further graduate courses revoked. Only courses in which a B- or higher was earned will be applied to a graduate program at SVC.

Courses will be selected in consultation with a Faculty Advisor and Graduate Program Director. The Graduate Program Director will notify the Registrar's Office to add the student to the course once approved.

At the graduate level, these courses will be marked as transfer courses with a "T" grade and will not compute into the graduate GPA. They will fulfill any program requirements or electives for which they are suitable.

Addendum Approved By: Dr. John T. Delaney, Vice President of Academic Affairs (VPAA)

Addendum Approved Date: 11/10/2025

SAINT VINCENT COLLEGE
