

SAINT VINCENT COLLEGE

HONOR ROLL OF DONORS

2022-2023

DEAR ALUMNI, FRIENDS, AND SUPPORTERS OF SAINT VINCENT COLLEGE,

You are part of a community that helps to invigorate and support Saint Vincent College's mission to educate and empower the next generation of leaders. We thank you for your philanthropic contributions during our 2022-2023 fiscal year that make access to this Catholic, Benedictine, liberal arts education possible.

Within the 2022-2023 Honor Roll of Donors, you will see the loyal alumni, friends, parents, and partners who share the commitment to invest in the excellence of our students, faculty, and programs.

From scholarship funding for 100% of incoming first-year students to providing resources for research and experimental opportunities, these gifts are felt campus-wide. Generosity of any size not only matters and has an impact today but continues to provide a transformative learning journey for all to succeed, grow, and reach their goals.

We are humbled and grateful for the multitude of ways that you support and continue to move Saint Vincent forward. We are excited about all the future possibilities and success that we will accomplish together. Thank you for all that you do for Saint Vincent College and our students.

With gratitude,

Albert J. Novak, Jr., C'81
Vice President
Philanthropy & Alumni Relations

SAINT VINCENT GUARDIAN SOCIETY

Planned Giving Association, through June 30, 2023.

Less than 10 years after Boniface Wimmer arrived at Saint Vincent in October 1846, accompanied by 18 monks, their number had grown to nearly 200. Thus, in August 1855, Pope Pius IX elevated Saint Vincent from the status of Priory to an Exempt Abbey and designated the Holy Guardian Angels as the patrons of this new Benedictine Congregation. Today, the succeeding generation of monks is spread throughout the world and numbers more than 1,200. They, like their forebears, have dedicated their lives to a balanced plan of work and prayer and still look to the patronage of the Guardian Angels.

Membership in the Society recognizes individuals who have made a commitment to Saint Vincent College by means of their will, a trust or other planned gift. The Guardian Society is a truly watchful, supportive and guarding presence that assures Saint Vincent will remain safe and sound far into the future.

With grateful appreciation, we recognize the following Guardian Society members:

JOSEPH KINNEY, P'44, C'48, CAME TO SAINT VINCENT PREP SCHOOL BECAUSE HIS SISTER FELL IN LOVE.

Shortly before getting married, Joseph's sister, Louise, introduced her parents to Phil Rager, P'39, C'46, her fiancé. Mr. and Mrs. Kinney were thrilled to welcome Phil into the family, and after learning that he was a graduate of the Prep School and a soon-to-be-graduate of the College, they knew that Saint Vincent was going to be perfect place for Joseph to begin his own academic career.

Joseph matriculated at the Prep School, and after graduating in 1944, enlisted in the Navy to serve his country during the Second World War. Poised for success thanks to the foundation he built at Saint Vincent Prep, Joseph was soon promoted to Seaman First Class and then again to Pharmacist Mate.

Discharged from the Navy in 1945, Joseph returned to SVC to finish his undergraduate career. His experiences as both a Prep and College graduate and the rigorous curriculum ended up being the perfect preparation as he enrolled in medical school at Georgetown University School of Medicine.

But it wasn't just the strong academics that made him successful; it was the entire Benedictine community. In particular, Father Edmund Cuneo, Father Hugh Wilt, and Father Fintan Shoniker aided him in his journey through his years at Saint Vincent. The Benedictine Sisters were

also a great support and source of perhaps unintentional humor for Joseph. One of Joseph's favorite memories is when, on one occasion, he said to a Sister, "Schwester, ich bin krank," meaning that he was sick. The sister gave him a cookie. The next day, he said again, "Schwester, ich bin krank," and the sister gave him an apple. On the next day, he said this again, but instead of a treat, the Sister handed him a book about being honest.

Both Joseph and his wife, Dorothy, are proud to look back on the successful careers they've had as well as the successful careers of their four children. This is thanks in large part to the Benedictines, who Joseph has said provided him with the moral compass for his life. It is his hope that current and future students will experience the same success and always know that the Benedictines are available to help those in need.

Members of the Heritage Society believe in the value of the College's traditions and are dedicated to the continuation of our outstanding programs. Annual membership in the Heritage Society is reserved for those alumni, parents and friends who demonstrate exceptional leadership, commitment and support for the mission of Saint Vincent College and our vision for the future. BONIFACE WIMMER ALLIANCE

The Boniface Wimmer Alliance of the Heritage Society honors those individuals who make contributions to Saint Vincent College of \$10,000 or more during the fiscal year. It is appropriate that Alliance members are named after Saint Vincent's founder, Archabbot Boniface Wimmer, O.S.B., because they share his devotion to the College's spiritual heritage, his prescient vision for future growth and his unwavering leadership during challenging times. Archabbot Boniface founded Saint Vincent because he believed that the monks of the Benedictine order could provide an education that would have a life-changing impact on their students. Through their annual gifts, members of the Boniface Wimmer Alliance of the Heritage Society express their appreciation for the influence that the Benedictines' teaching and spiritual guidance has had on their lives.

DONNA FLYNN BENDEL NURSING SCHOLARSHIP

Endowed scholarships are powerful—beyond just the impact in the present, they create enduring legacies that resonate far into the future, shaping the lives and educational journeys of many students.

One of these enduring legacies is the Donna Flynn Bendel Nursing Scholarship, founded by James (Jim) D. Bendel, C'60, D'85. This is the first endowed scholarship established for the new Saint Vincent College Nursing Program, and it not only honors and memorializes Donna Flynn Bendel but embodies the spirit and passion she had for the nursing profession.

Feeling called to be a nurse, Donna went to Point Park University for a 2-year nursing program that then led her to work at Latrobe Hospital on the surgical floor. Jim fondly

recalls, “Donna was someone who had a dream to do something and did it. She loved being a nurse and going to work where she spent lots of time on the floor.”

With the announcement of the Nursing Program at Saint Vincent, set to enroll its first cohort in fall 2024, Jim knew the time was just right to honor Donna's legacy and passion for nursing.

“I thought, ‘What can I do for her?’ The timing just made sense to give her the honor of the first scholarship in nursing.”

As the Donna Flynn Bendel Nursing Scholarship takes root, it sets the stage for future generations of nurses to follow their dreams, serve and care for their communities, and pursue a life of excellence in the field of nursing, just as Donna did.
