NOVEMBER 8

OCTOBER 25 AND NOVEMBER 8

8:30 – 11:30 am | Anselm Hall 219/220.

Breakfast served at 8:00 am | Lunch served at 11:30 am

Attendees are welcome to participate in only one or both workshops.

Through a generous grant from NetVUE, Saint Vincent College will host two workshops to reflect upon the vocational character of lay pastoral ministry. Each workshop will feature a plenary speaker and a guided discussion between local pastoral ministers and Saint Vincent students, faculty, and staff.

The goal of these workshops is to solicit input and foster collaboration for the design of a pastoral ministry program for undergraduate students at Saint Vincent College.
